Decisions are taken in the meeting held on 1st December 2022

1. Second Internal Examination is scheduled on 8th and 9th December 2022. Principal instructed the head of the departments to give clear instructions about attendance. These marks from internal examination will be in uploaded in Osmania University Site. Teachers have to prepare question papers as early as possible. Questions should evaluate the student's logical way of thinking.
2. pre-final examination should be conducted before the theory exams. It should develop a confidence to write the main exam. Pre-finals are meant to help the students to be aware of the main exam pattern, marks distribution and main points to be included.
3. Practical Examination should be conducted from 20th December to 26th December 2022. It should be conducted in a strict manner so that the students will be able to know the seriousness of each examination.
4. Orientation class should be given to the students for developing them a confidence to face exams and to reduce the fear of writing exams. This class should mainly focus on students' mental health. Exams are meant to evaluate the students' progress, not meant for competition. Students should be motivated in this session.

- Duly updated document comprising residential particulars of students from the individual departments must be submitted to the principal on or before date (Including the room number of students residing at college hostels). Names of the students stay outside without proper permission must be identified. Staff advisors are requested to contact parents of such students. Such students who have not produced written undertaking from their parents will be permitted to continue their stay only after producing the undertaking.
- As a part of consistent efforts for improving the University results, Subject faculty are requested to meet the parents of the students, who failed in the University examinations, immediately after the publication of results. Subject faculty are requested to meet parents of students with more than two backlogs till SEM IV (as per recently published results). However, staff advisor should ensure that results are made available to the parents, either through 'Whatsapp' or E-mail, for their reference.
- Assignments given to the students should be well-planned. Assignment questions should be planned in such a way that students are motivated to use the library facility. Class assignments given to the students should promote effective use of library hours.
- College is implementing Outcome Based Teaching Learning (OBTL) system. In connection with this, faculty members are requested to prepare module-wise question bank for the subjects, which they handle in the current semester, for the benefit of students. Pattern of mark distribution in the University questions may be followed. Question bank meets the requirements prescribed for OBTL system. Quality of the question banks should be ensured by a panel of internal experts. Question banks should be made available for the reference of students.
- For internal examinations, questions from the question bank shall be included so that students will thoroughly study answers of all questions in the question bank. Staff members are encouraged to conduct module tests to improve the performance of the students in University examination.
- Faculty members are requested to prepare manuals of for the laboratory courses, which they handle in the current semester, ensure that minimum of 125 experiments out of 200 experiments in the syllabus, as prescribed by the University, are covered during the delivery of laboratory courses. Remaining experiments may be offered to interested students, who have no backlogs, during the hours meant for OBTL.
- Staff advisors are requested to inform students in advance that they should complete the registration formalities by remitting the college' fees on or before 07th September 2018.

- To ensure attainment of course outcome, it has been decided to assign a relative weightage to the marks scored in internal examinations. The maximum marks of the internal examinations shall be as follows.
 - First internal examinations: 20 marks
 - Second internal examinations: 20 marks
 - This can be followed with effect from next semester onwards
 - Council decided to conduct 1st internal examinations on 26th August and 27th August 2019 respectively.
 - Make sure to follow the portion.
- As per the current system followed in the timetable there are 48 periods in a week. However, as per university norms, there shall be only 36 hours per week. Hence it has been decided to utilize the extra 6 periods as furnished below from the coming semester onwards.
 - **First year students:** students will have one period of CRT (campus recruitment training)
 - **Second year Students:** Placement training (one period), Certification programs in C/C++ will also be announced within in short period of time
 - **Third year students:** placement tips and training in addition to that CRT programmes will be design to improve LSRW skills ,
- Management decided to implement attendance for all semesters period wise attendance need to be updated by all the faculty and assign assignments to the children during the working days.75% of attendance are mandatory for every child
- Faculty members are requested to prepare question bank based on OBTL scheme, for the forthcoming even semester classes 2019.It is decided to conduct one-day training programme for those faculty members who are recruited during the sem (new staff) regarding how to prepare worksheets ,and how to conduct programs like JAM,GROUP DISSCUSSIONS,DEBATE ETC
- CRT (campus recruitment programme) Smt.Leena and Smt VANAJA is assigned with the duty to coordinate CRT programme
- It is decided to call the parents of student who are all irregular and falling short of attendance Strict instructions will be given to the students to who do not fulfil the criteria of attendance.

Decisions was taken in the meeting held on 29th August 2018

1. Duly updated document comprising residential particulars of students from the individual departments has to be submitted to the principal on or before date (Including the room number of students residing at college hostels). Such students who have not produced written undertaking from their parents will be permitted to continue their stay only after producing the undertaking.
2. As a part of consistent efforts for improving the University results, Subject faculty are requested to meet the parents of the students, who failed in the University examinations, immediately after the publication of results. Subject faculty are requested to meet parents of students with more than two backlogs till SEM IV (as per recently published results). However, staff advisor should ensure that results are made available to the parents, either through 'Whatsapp' or E-mail, for their reference.
3. Assignments given to the students should be well-planned. Assignment questions should be planned in such a way that students are motivated to use the library facility. Class assignments given to the students should promote effective use of library hours.
4. College is implementing Outcome Based Teaching Learning (OBTL) system. In connection with this, faculty members are requested to prepare module-wise question bank for the subjects, which they handle in the current semester, for the benefit of students. Pattern of mark distribution in the University questions may be followed. Question bank meets the requirements prescribed for OBTL system. Quality of the question banks should be ensured by a panel of internal experts. Question banks should be made available for the reference of students.
5. For internal examinations, questions from the question bank shall be included so that students will thoroughly study answers of all questions in the question bank. Staff members are encouraged to conduct module tests to improve the performance of the students in University examination.
6. Faculty members are requested to prepare manuals of for the laboratory courses, which they handle in the current semester, ensure that minimum of 125 experiments out of 200 experiments in the syllabus, as prescribed by the University, are covered during the delivery of laboratory courses. Remaining experiments may be offered to interested students, who have no backlogs, during the hours meant for OBTL.
7. Staff advisors are requested to inform students in advance that they should complete the registration formalities by remitting the college' fees on or before 07th September 2018.

8. To ensure attainment of course outcome, it has been decided to assign a relative weightage to the marks scored in internal examinations. The maximum marks of the internal examinations shall be as follows.

First internal examinations: 20 marks

Second internal examinations: 20 marks

This can be followed with effect from next semester onwards

Council decided to conduct 1st internal examinations on 10th September and 12th September 2018 respectively. Dussera holidays will start from 8th October 2018 to 20th October make sure to follow the portion

9. As per the current system followed in the timetable there are 48 periods in a week. However, as per University norms, there shall be only 36 hours per week. Hence it has been decided to utilize the extra 6 periods as furnished below from the coming semester onwards.

First year students: students will have one period of CRT (campus recruitment training)

Second year Students: Placement training (one period), Certification programs in C/C++ will also be announced within in short period of time

Third year students: placement tips and training in addition to that CRT programmes will be design to improve LSRW skills ,

10. Management decided to implement attendance for all semesters period wise attendance need to be updated by all the faculty and assign assignments to the children during the working days.75% of attendance are mandatory for every child

11. Faculty members are requested to prepare question bank based on OBTL scheme, for the forthcoming even semester classes 2019.

12. It is decided to conduct one-day training programme for those faculty members who are recruited during the sem (new staff) regarding how to prepare worksheets ,and how to conduct programs like JAM,GROUP DISSCUSSIONS,DEBATE ETC .

13. CRT (campus recruitment programme) Smt.Leena and Smt VANAJA is assigned with the duty to coordinate CRT programme.

14. It is decided to call the parents of student who are all irregular and falling short of attendance Strict instructions will be given to the students to who do not fulfil the criteria of attendance
