Venue	Seminar Hall	506

INFORMATIVE TECHNOLOGY PRIVATE LIMITED have entered into a significant partnership, solidified by an agreement effective from May 26, 2023, to 2027, spanning four years. This collaboration has seen the successful execution of various programs, enriching the educational journey of students.

Leveraging its expertise, Cedar Informative Technology Private Limited has been instrumental in providing students with valuable services, particularly in the realm of crafting effective project works. Resource persons from the industry offer guidance on project selection and conduct specialized training sessions focused on IT-related jobs. The collaboration aims to keep students informed about the latest trends in the IT job market and the specific skills required for success. Additionally, Cedar Informative Technology Private Limited is committed to providing students with a career development pathway, including internship opportunities.

This partnership is anticipated to significantly benefit Siva Sivani Degree College's B.Sc and BCom students, providing them with the necessary skills and knowledge to secure sustainable positions in the IT industry.

Notably, Cedar Informative Technology Private Limited conducted a comprehensive Training Program in June 2023, specifically designed to equip students with rigorous training in all technical rounds, further enhancing their readiness for the dynamic IT landscape.

Venue	Seminar Hall	506

SIVA SIVANI DEGREE COLLEGE and TUBO FOOD PACKING INDUSTRIES PRIVATE LIMITED have joined forces in an impactful partnership, marked by an agreement effective from December 19, 2022, to 2026, spanning four years. Throughout this collaboration, numerous events have been successfully conducted, contributing significantly to the educational journey of students. One notable initiative is the **"Practical Job Training Session & Awareness Workshops On General Employment Opportunities,"** which starts on 17th June 2023. This event was specifically designed for final-year students, offering invaluable insights into job preparation, interview strategies, and effective approaches to securing dream positions in a particular company.

The event proved highly effective, featuring a visual and graphical presentation by resource persons on current industry trends, emerging tools, and applications relevant to job practices. Every day morning sessions set the stage for insightful discussions. In the afternoons, students actively engaged in systematic practice sessions hosted by experienced resource persons. The overall program was both useful and informative, providing students with practical skills and knowledge for their future career endeavours.

Specially Designed Training Sessions:

- Worksheets on Aptitude test both Verbal and Nonverbal
- GD sessions
- JAM sessions
- Self introduction sessions

Total 180 Students attended this program and the attendance of the students enclosed here with all.

Special Training and Certificate program on

ACCOUNTING STANDARD AL-ENERGY SYSTEMS

Title Of Training	ACCOUNTING STANDARD	Tools and Techniques of Accounting Standards
Trainer Details	AL-ENERGY SYSTEMS	2 resource persons
Date	01/02/2023 - 28/02/2023	28 days
Participants	B.com 1 Years	110
Venue	Classrooms	204 & 205

The collaboration established on this day, the 17th of August 2021, to the 26th of August 2024, between SIVA SIVANI DEGREE COLLEGE KOMPALLY, HYDERABAD-100, Telangana State (referred to as the "Institution") and AL-ENERGY SYSTEMS, an Electrical Contracting Company (referred to as the "Company").

BACKGROUND:

The Institution, dedicated to providing quality education, aims to enrich the learning experience for its B.SC Electronic and B.COM students through a collaboration with AL-ENERGY SYSTEMS. The Company, possessing expertise in electrical contracting, is willing to share its knowledge and resources for the benefit of the students.

For B.SC Electronic Students:

AL-ENERGY SYSTEMS will provide services in the core area, including training, seminars, workshops, and mini-project works, enhancing practical knowledge in the electrical industry.

For B.COM Students:

The Company will impart knowledge on coding, technologies used in the electrical industry, and related areas.

AL-ENERGY SYSTEMS commits to supplying resource persons, industrial experts, and professionals to facilitate interaction and learning for the students during this collaboration. The Company will offer professional interaction, knowledge-sharing sessions, and expertise in the mentioned core areas. Additionally, AL-ENERGY SYSTEMS will organize training, seminars, workshops, and mini-project works as integral components of this collaboration.

The program was very useful to all the B.com first year students as they learned new tools and techniques of accounting standards which were more market oriented.

DATA ANALYTICS USING EXCEL

This Memorandum of Understanding is formalized on the 24th of July 2021, at Enrun India, between SIVA SIVANI DEGREE COLLEGE (referred to as the First Party) and ENRUN INDIA, located in Balanagar, Telangana (referred to as the Second Party).

Company Profile:

The First Party excels in delivering Industrial Trainings and Visits, Real-time projects, Certification Trainings, conducting Workshops, Guest lectures, and Placements. The Second Party, a distinguished higher educational institution, is dedicated to providing high-quality education with a focus on facilitating placements.

Collaborative Commitments:

By this agreement, the Second Party commits to inviting field experts from the First Party to engage with students and faculty, fostering an exchange of information, practical experiences, and updates on techniques and methods. The Second Party also undertakes to cover the conveyance charges for the field experts from the First Party.

In reciprocation, the First Party commits to deputing its field experts to deliver special lectures and provide hands-on experience, subject to the prior arrangement of programs. The First Party further undertakes to provide practical training within its organization, ensuring students adhere to the security norms.

SIVA SIVANI DEGREE COLLEGE COLLEGE CODE 2012 KOMPALLY

Transformative Collaboration for Sustainable Waste Management

by

EARTHBOX VENTURES PRIVATE LIMITED

Waste Management	Collecting all the Dry & Wet Wastage , E waste	Every Month 20th to 27th any Agreed working day evening time 6PM
E Waste Management	Collecting the Electronic, Electric materials	Quarterly on prescribed date of SSDC sep 10th to 15th
News papers and Material	End of the Semester Exams	Mentioned by the SSDC May 1st to 10th

SIVA SIVANI DEGREE COLLEGE and **EARTHBOX VENTURES PRIVATE LIMITED,** an authorized agency of ITC, have forged a transformative alliance aimed at redefining waste management practices within the institution. This collaboration, executed on December 16, 2021, is set to span three years, fostering a shared commitment to environmental sustainability.

Earthbox Ventures Private Limited, renowned for its expertise in reusing both dry and wet waste generated by various organizations, including proper handling of e-waste, is actively engaged in creating awareness about the judicious use and recycling of waste. In alignment with their mission, SSDC has collaborated with this agency for the noble cause of environmental preservation, aiming to channelize the waste generated within the college in an eco-friendly manner.

Under the terms of the agreement, regular waste collections occur every month, specifically in December 2021, the second week of January, and the second week of February. Additionally, waste collection takes place every semester, with agreed-upon prices for the services rendered. This partnership has proven instrumental in facilitating the proper utilization and recycling of the substantial waste generated within the college. Notably, the disposal of large quantities of paper every semester has been efficiently managed through this collaboration, significantly benefiting the institution's waste management practices.

COMMUNICATIVE ENGLISH (Special Training in Business English)

On the 17th of August 2021, a transformative collaborative partnership was established between SIVA SIVANI DEGREE COLLEGE in Kompally and DECCAN SOLUTIONS, located in Mehdipatnam, Hyderabad, TS. This partnership, in effect since October 22, 2018, signifies an enduring commitment to enriching the educational experience for students.

Industrial Profile:

DECCAN SOLUTIONS specializes in skill-based training, placement preparation, industrial visits, and organizing seminars with industry experts to enhance students' opportunities.

Key Collaborative Initiatives:

As part of this collaboration, DECCAN SOLUTIONS has committed to providing additional industrial interactions, seminars with delegates, and webinars featuring professionals to strengthen students' skills in these crucial areas. The collaborative efforts are aimed at broadening students' exposure and knowledge, aligning them with the latest industry trends.

Guest Lectures and Knowledge Sharing:

The second party, DECCAN SOLUTIONS, undertakes to deliver guest lectures periodically on topics such as entrepreneur development, job market trends, business etiquette, and soft skills. These lectures aim to provide students with valuable insights, preparing them for the dynamic challenges of the professional world.

This collaboration serves as a holistic approach to enhancing students' educational journeys, providing them with practical skills, exposure to industry insights, and the latest advancements in various fields. The commitment to ongoing knowledge sharing and skill development ensures that students are well-equipped for success in their academic and professional endeavours.
