Report on Workshop on 5th July 2023, organized by IQAC

This account is an overview of the Faculty Development Programme that was conducted on 5th July 2023. This Programme is conducted by Mr Y. Ananda Reddy, IQAC Coordinator on the topic 'Quality Teaching '. This Programme was designed and implemented by IQAC. This workshop focused on the criteria that will help faculties to display quality teaching in their own subjects.

Objective

The main and primary objective of this Faculty Development Programme is to familiarize the different methods and strategies that promote the quality of teaching. This involves different discussions and debates to improve the quality of each faculty.

Agenda

- Different innovative teaching methods
- Techniques to improve teaching
- Tricks and Tactics to cope up with the dynamic teaching -learning environment.
- Schemes to improve student-teacher relationship.
- Evaluation Scheme

Mr.Y.Ananda Reddy Y, IQAC Coordinator, provided an excellent session for improving their teaching skills.

Program Overview

- A complete package of divergent innovative teaching methods
- An abstract of different methods that will helps to improve teaching.
- A precise form of several plans to cope up with the changing learning environment.
- Introduction to several schemes to improve teaching -learning.

Conclusion

The workshop focused on the overall development of each faculty. This Programme insisted each faculty to focus on their personal development so that they can improve their way of teaching. An effective session implemented by IQAC for the betterment of faculties.
