Respected Members,

The analysis and action taken report on the academic environment and infrastructure, as provided by students, faculty, parents, alumni, and employers, is attached.

Feedback analysis and Action taken report (AY 2022-23)
Academic and Infrastructure of the Institution

Reports are generated based on input gathered from parents, alumni, faculty, students, and employers regarding the academic program and overall atmosphere of the institution. Based on the different parameters, the feedback forms were created. The Internal Quality Assurance Cell (IQAC) has collected feedback from the students, faculty, students and employers. Classrooms with enough equipment, well-stocked libraries, and well-connected labs with Internet access were among the factors taken into account while determining the academic atmosphere. Feedback was gathered on infrastructural aspects, like nice playgrounds, respectable restrooms, and a caring atmosphere. On a scale of strongly disagree to strongly agree, the respondents were asked how they felt about the statements. The following details the analysis and actions conducted throughout the 2022-23 academic year, based on the reports.

Action taken report based on student's feedback

1. College organised the programme of Hobby development, to promote student's hobbies and interests.
2. Provided more sports equipment for students use.
