**"Helping Hands" Charity by SSDC**

**Commencement and Initiatives:**

**Continued Efforts Amidst the Pandemic:**

In 2020, despite pandemic challenges, students persisted in various activities such as road paintings and wall paintings. In 2021, efforts extended to collecting used clothes, stationary items like notebooks, pens, pencils, and essential food items for those in need.

In 2022, students actively advocated charity initiatives, designating every Tuesday as Charity Day. The committee coordinated fund collection, and the raised funds were utilized to purchase necessary items for orphanages and old age homes, fulfilling their requirements. Even students helped the children whose parents got affected by AIDs.

**Students Take Home:** Students demonstrate commendable participation in rendering services as they distribute groceries, food items, snacks, stationary, books, pens, pencils, writing pads, and clothes every Tuesday.

Siva Sivanians, recognize, practice concern for the underprivileged. It has been our culture to consciously indulge in practices that help us to reach the poor, the orphans and old age homes. We instill the same spirit in our students, to show empathy, sympathy to those who need our help. Once we recognized this cause, we educated our students on how to set aside some money which could be donated to the poor. This contribution, though a negligible one to each student will be a big help to the affected.

We, Siva Sivanians, practically extended this activity into wings and approached an orphanage and some old age homes. We feel Tuesday as very auspicious and considered the same as bestow and planned to donate something as a charity for this cause, four lecturers were coordinators, these lecturers inspired the students to share and contribute to the society from the sum of their pocket money and help the needy as a part of the same, each student donated some amount as charity. These were collected by our lecturers along with the student representatives and visited few old age homes and orphanages and It is an appreciable effort by our students in recognizing how to serve and contribute to the society in different ways and how to stir up to concern in students as an institution. This institutional concern is a central force to propel youth towards the future.

2. Program Date: **28-12-2021**
3. Report submitted date: **30-12-2021**

### Brief description about the event:

Community service initiatives were undertaken by students of Siva Sivani Degree College in response to the challenges posed by the **COVID-19** pandemic. The commitment, resilience, and adaptability demonstrated by our students have made a significant positive impact on the community we serve.

Siva Sivanians, recognize, practice concern for the underprivileged. It has been our culture to consciously indulge in practices that help us reach the poor, the orphans. We instill the same spirit in our students, to show empathy, sympathy to those who need our help. Once we recognize this cause, we educated our students on how to set aside some money which could be given to the poor. This contribution, though a negligible one to each student will be a big help to the affected.

We, Siva Sivanians, practically extended this activity into wings and approached old age homes. Four lecturers were coordinators, they inspired the students to share and donate a sum from their pocket money and purchased **Rice Bags of 25 kgs- 20** sponsored by team of **SSDC NSS** to old age homes. These were collected by our lecturers along with the student representatives and visited old age home and donated. This, is an appreciable effort of our students in recognizing how to serve and contribute to the society in different ways and how to stir up to concern in students as an institution. This institutional concern is a central force to propel youth toward the future.
