09-08-2018

Who can participate:

Registered III Year Students

Certificate will be provided for all
active participants.

RESOURCE PERSON

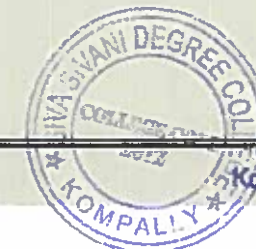

Mr. G.Venkateshwarlu
Dept. of Comp.Science
SSDC, Kompally

About College:

A brain child of the dynamic Sri. S.P.Sampathy, Siva Sivani Degree College (SSDC) was established in the year 2002. Affiliated to the Osmania University which has a rich legacy of imparting quality education. A part of the S.P. Sampathy's Siva Sivani Group of Institutions, whose founder late Sri. S.P.Sampathy and the cofounder Smt. S. Aarathy, presently the president and the chief executive of the group, have had the experience of establishing and running world class educational institutions for nearly 61 years, SSDC, has dutifully traversed on the path hitherto used by the other group institutions and has carved a niche for itself in the arena of under graduate education in a span of 21 years of timeless efforts.

Objectives of the program

- The object of an HTML workshop is to empower participants with the knowledge and skills needed to create well-structured, semantic, and responsive web pages. The workshop should balance theoretical understanding with practical application through hands-on exercises and projects, fostering a comprehensive understanding of HTML for web development.

Report of the Program
Workshop on Programming Languages

Name of the Resource Person : MS. S. Madhavi
Date : 03-04-2019
Venue : Seminar Hall
No. of Students Attended : 112

On 03-10-2018, a guest lecture on “Workshop on Programming Languages” was held at Seminar Hall for students of Siva Sivani Degree College. The lecture was delivered by the Resource person MS. S.Madhavi.

The Workshop on Programming Languages held on 03-10-2018 aimed to bring together programming language enthusiasts, researchers, and professionals to discuss and explore the latest developments, challenges, and innovations in the field. The workshop provided a platform for attendees to exchange ideas, share insights, and foster collaboration within the programming languages community.

Key Objectives:

Exploration of Emerging Trends:

The workshop delved into the exploration of emerging trends in programming languages, including novel language designs, paradigms, and methodologies. Attendees had the opportunity to gain insights into the current landscape of programming languages and the potential impact on software development.

Research Presentations:

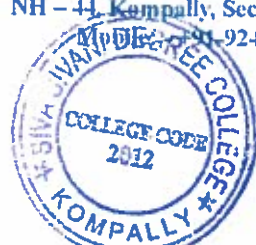

Distinguished researchers and practitioners presented their latest findings and ongoing projects in the realm of programming languages. The presentations covered a wide range of topics, including language design principles, compiler optimizations, type systems, and the application of programming languages in various domains.

Interactive Sessions:

To facilitate active participation and engagement, the workshop included interactive sessions such as panel discussions, Q&A sessions, and hands-on activities. These sessions encouraged attendees to share their experiences, ask questions, and engage in fruitful discussions.

About College:

A brain child of the dynamic Sri. S.P.Sampathy, Siva Sivani Degree College (SSDC) was established in the year 2002. Affiliated to the Osmania University which has a rich legacy of imparting quality education. A part of the S.P. Sampathy's Siva Sivani Group of Institutions, whose founder late Sri. S.P.Sampathy and the cofounder Smt. S. Aarathy, presently the president and the chief executive of the group, have had the experience of establishing and running world class educational institutions for nearly 61 years, SSDC, has dutifully traversed on the path hitherto used by the other group institutions and has carved a niche for itself in the arena of under graduate education in a span of 21 years of timeless efforts.

Objectives of the program

- .Code Wars is a platform that provides a collection of coding challenges and kata (programming exercises) for developers to solve. The primary object of Code Wars is to enhance and sharpen participants' programming skills through hands-on coding practice.

Report of the Program
CODE WARS (The Coding Competition)

Name of the Resource Person Ms. VR Jaya sree
Date : 28-09-2018
Venue : Seminar Hall
No. of Students Attended : 256

On 28-09-2018, a guest lecture on "CODE WARS (The Coding Competition)" was held at Seminar Hall for students of Siva Sivani Degree College. The lecture was delivered by the Resource person Mr.M.Raju.

CodeWars is an online coding platform that has gained popularity among programmers for its unique approach to skill improvement through coding challenges known as "kata." This report aims to provide an overview of CodeWars, its features, and its impact on the coding community.

Features of CodeWars

1. Kata Challenges

CodeWars offers a diverse range of coding challenges called kata, which are categorized by difficulty levels and programming languages. These challenges cover various topics, allowing participants to enhance their problem-solving skills and explore different programming paradigms.

2. Community Collaboration

One distinctive feature of CodeWars is its emphasis on community and collaboration. Participants can discuss solutions, share insights, and learn from each other. The platform encourages a sense of camaraderie among coders of all skill levels.

3. Ranking System

CodeWars employs a ranking system that evaluates participants based on the number of completed kata and the difficulty of those challenges. This system motivates users to progress through increasingly complex problems and showcases their proficiency within the community.

4. Supported Programming Languages

CodeWars supports a wide array of programming languages, accommodating developers with varying language preferences. This inclusivity contributes to its popularity among coders specializing in different technologies.

As of my last knowledge update in January 2023, CodeWars is an online platform that provides coding challenges known as kata, allowing programmers to improve their skills through practice and collaboration. If there have been any significant changes or events related to CodeWars since then, I may

not be aware of them. However, I can provide you with a generic template for a report on a CodeWars event or competition. Please adapt the information based on the specific details of the CodeWars event you attended.

The CodeWars event took place on [Date] and was hosted on the CodeWars online platform. The event aimed to bring together coding enthusiasts, developers, and programmers to participate in a series of coding challenges known as kata.

1. Event Overview

The event featured a variety of coding challenges, categorized by difficulty levels, topics, and programming languages. Participants had the opportunity to choose katas that aligned with their skill levels and interests.

2. Competition Structure

The CodeWars competition was structured as follows:

- Opening Ceremony:

- Welcome address and introduction to the event.
- Overview of the CodeWars platform and competition rules.

-Participants

The CodeWars event attracted a diverse group of participants, including students, professionals, and coding enthusiasts. The participants showcased their skills and problem-solving abilities throughout the competition.

Prizes and Recognition

Outstanding participants were recognized and rewarded for their achievements. Prizes may have included certificates, CodeWars merchandise, or sponsored gifts from event partners.

Feedback and Lessons Learned

1. Participant Feedback

Gathering feedback from participants is crucial for improving future events. Common feedback categories include the variety of challenges, platform usability, and the overall satisfaction of participants.

2. Lessons Learned

Reflecting on the event's successes and areas for improvement helps organizers enhance the experience for future participants. Lessons learned may include adjustments to competition rules, platform improvements, or additional features.

(Affiliated to Osmania University)

Conclusion

The CodeWars event provided a platform for participants to enhance their coding skills, engage in friendly competition, and connect with like-minded individuals in the programming community. The success of the event can be attributed to the dedication of participants, the quality of challenges, and the seamless organization.
