About College:

A brain child of the dynamic Sri. S.P.Sampathy, Siva Sivani Degree College (SSDC) was established in the year 2002. Affiliated to the Osmania University which has a rich legacy of imparting quality education. A part of the S.P. Sampathy's Siva Sivani Group of Institutions, whose founder late Sri. S.P.Sampathy and the cofounder Smt. S. Aarathy, presently the president and the chief executive of the group, have had the experience of establishing and running world class educational institutions for nearly 61 years, SSDC, has dutifully traversed on the path hitherto used by the other group institutions and has carved a niche for itself in the arena of under graduate education in a span of 21 years of timeless efforts.

Objectives of the program

- .Acquiring skills for problem-solving and design tasks through programming is to equip individuals with the capabilities to analyze, conceptualize, and implement effective solutions using programming languages and methodologies. These skills are essential in various fields, including software development, engineering, data science, and more.

Report of the Program

Awareness Program on Knowledge and Skills to Problem Solving and Design Task

Name of the Resource Person : Mr. P.M. Sharath

Date : 03-01-2020

Venue : Seminar Hall

No. of Students Attended : 144

On 03-01-2020, a lecture on "Awareness Program on Knowledge and Skills to Problem Solving and Design Task" was held at Seminar Hall for students of Siva Sivani Degree College. The lecture was delivered by the Resource person Mr. P.M. Sharath.

Introduction:

The "Empowering Minds" awareness program is designed to equip individuals with the essential knowledge and skills needed for effective problem-solving and successful task design. This report provides an overview of the program's objectives, key components, and the potential impact on participants in various educational and professional contexts.

1. Program Objectives

Knowledge Enhancement: Provide participants with a foundational understanding of problem-solving methodologies and design thinking principles.

- **Skill Development:** Foster the development of critical thinking, creativity, and practical skills essential for tackling complex problems and designing innovative solutions.

- **Awareness of Applications:** Illustrate real-world applications of problem-solving and design thinking across diverse fields and industries.

Collaborative Learning: Encourage collaboration and teamwork, emphasizing the importance of collective problem-solving efforts.

2. Key Components:

Workshops and Training Sessions:

Problem-Solving Techniques: Introduce participants to various problem-solving methodologies, such as root cause analysis, critical thinking frameworks, and decision-making strategies.

Design Thinking Principles: Explore the fundamentals of design thinking, including empathy, ideation, prototyping, and testing.

Case Studies and Success Stories:

Share case studies highlighting successful problem-solving and design thinking initiatives, providing practical insights and inspiration.

Mamatha

S. P. Sampathy's Siva Sivani Educational Society (2906/97)

SIVA SIVANI DEGREE COLLEGE

(Affiliated to Osmania University)

Feature guest speakers who have excelled in problem-solving and design tasks, sharing their experiences and lessons learned.

Interactive Exercises and Simulations:

Conduct hands-on exercises and simulations to immerse participants in problem-solving scenarios, allowing them to apply acquired knowledge in a controlled environment.

Facilitate group activities to promote collaborative problem-solving and design tasks.

Resource Materials and Toolkits:

Provide participants with resource materials, toolkits, and recommended readings to further enhance their understanding and skills.

Offer access to online platforms and tools that support problem-solving and design activities.

3. Program Impact:

Enhanced Problem-Solving Abilities: Participants will develop a more systematic and creative approach to problem-solving, leading to improved critical thinking skills.

Innovation and Creativity: The program aims to inspire innovative thinking and creative problem-solving, fostering a culture of continuous improvement.

Application in Real-world Contexts: Participants will gain the confidence to apply acquired knowledge and skills to real-world challenges in their academic and professional environments.

Conclusion:

The "Empowering Minds" awareness program seeks to ignite a passion for problem-solving and design thinking, providing participants with the tools they need to tackle challenges creatively and contribute to a culture of innovation. Through a combination of knowledge transfer, practical exercises, and collaborative learning, the program aims to empower individuals across diverse backgrounds to navigate the complexities of problem-solving and design tasks with confidence and proficiency.

About College:

A brain child of the dynamic Sri. S.P.Sampathy, Siva Sivani Degree College (SSDC) was established in the year 2002. Affiliated to the Osmania University which has a rich legacy of imparting quality education. A part of the S.P. Sampathy's Siva Sivani Group of Institutions, whose founder late Sri. S.P.Sampathy and the cofounder Smt. S. Aarathy, presently the president and the chief executive of the group, have had the experience of establishing and running world class educational institutions for nearly 61 years, SSDC, has dutifully traversed on the path hitherto used by the other group institutions and has carved a niche for itself in the arena of under graduate education in a span of 21 years of timeless efforts.

Objectives of the program

- .The object of an HTML workshop is to empower participants with the knowledge and skills needed to create well-structured, semantic, and responsive web pages. The workshop should balance theoretical understanding with practical application through hands-on exercises and projects, fostering a comprehensive understanding of HTML for web development.

7. Images:

- The use of the '' tag is introduced for adding images to webpages.
- Participants engage in an exercise to incorporate images into their HTML documents, emphasizing the importance of the 'alt' attribute.

8. Forms:

- The workshop covers basic form creation using the '<form>' tag and elements like '<input>'.
- Practical exercises involve creating a simple contact form.

9. Divisions and Comments:

- The '<div>' tag is introduced as a container element for styling purposes.
- Participants learn how to add comments using '<!-- -->' for documenting code.

10. Validation and Troubleshooting:

- Participants gain insights into tools for validating HTML code and common troubleshooting techniques.
- The importance of well-structured and valid HTML for cross-browser compatibility is emphasized.

Conclusion:

- The workshop concludes with a summary of key concepts, resources for further learning, and encouragement for participants to explore more advanced topics in web development.

This HTML workshop aims to empower participants with the foundational skills needed to create basic webpages, setting the stage for further exploration into the dynamic world of web development.

Report of the Program

MS-office Tools (MS-Word)

Name of the Resource Person : MS. S. Madhavi
Date : 05-02-2020
Venue : Seminar Hall
No. of Students Attended : 117

On 05-02-2020, a lecture on "MS-office Tools (MS-Word)" was held at Seminar Hall for students of Siva Sivani Degree College. The lecture was delivered by the Resource person MS. S. Madhavi.

Microsoft Word, a flagship product of the Microsoft Office suite, is a powerful word processing application widely used for creating, editing, and formatting documents. Since its inception, Microsoft Word has become an integral tool in both personal and professional settings, offering a comprehensive range of features to enhance document creation and collaboration.

Key Features:

User-Friendly Interface:

Microsoft Word boasts an intuitive interface, making it accessible to users of varying skill levels. The ribbon toolbar provides easy access to a plethora of tools and functions.

Microsoft Word is a versatile word processing application that is part of the Microsoft Office suite. It is widely used for creating, editing, formatting, and sharing documents.

1. Document Creation and Formatting:

Basic Document Creation: Word provides a user-friendly interface for creating new documents, whether it's a letter, report, or other types of written content.

Formatting Options: Users can easily format text, paragraphs, and pages using a variety of styles, fonts, and spacing options.

Page Layout: Word offers tools for adjusting margins, orientation, and page size to customize the layout of documents.

2. Text Editing and Proofing:

Spell Check and Grammar: Word includes built-in spell-check and grammar-check tools to help users proofread their documents.

Thesaurus: Users can access a thesaurus to find synonyms and enhance the vocabulary in their writing.

Find and Replace: Efficiently locate specific words or phrases and replace them with ease.

3. Collaboration and Sharing:

Track Changes: Useful for collaborative editing, the "Track Changes" feature enables users to see and accept/reject edits made by others.

Comments: Users can leave comments on specific sections of the document for feedback and collaboration.

Sharing Options: Word provides various options for sharing documents, including email, cloud storage, and collaborative online editing.

4. Page Elements and Design:

Headers and Footers: Users can insert headers and footers for consistent page numbering, document titles, and other information.

Images and Shapes: Word supports the insertion of images, shapes, and SmartArt to enhance the visual appeal of documents.

Page Borders: Users can add decorative borders to pages for a polished look.

5. Tables and Data Handling:

Table Creation: Word facilitates the creation and formatting of tables for organizing and presenting data.

Excel Integration: Users can embed Excel spreadsheets within Word documents for seamless integration of data.

6. Mail Merge:

Personalized Documents: The Mail Merge feature allows users to create personalized documents by merging data from an external source, such as an Excel spreadsheet.

7. Templates:

Document Templates: Word offers a range of templates for various document types, streamlining the creation process.
