About College:

A brain child of the dynamic Sri. S.P.Sampathy, Siva Sivani Degree College (SSDC) was established in the year 2002. Affiliated to the Osmania University which has a rich legacy of imparting quality education. A part of the S.P. Sampathy's Siva Sivani Group of Institutions, whose founder late Sri. S.P.Sampathy and the cofounder Smt. S. Aarathy, presently the president and the chief executive of the group, have had the experience of establishing and running world class educational institutions for nearly 61 years, SSDC, has dutifully traversed on the path hitherto used by the other group institutions and has carved a niche for itself in the arena of under graduate education in a span of 21 years of timeless efforts.

Objectives of the program

- Objects or purposes of Artificial Intelligence (AI) and Machine Learning (ML) are centered around leveraging advanced computational technologies to enhance various aspects of problem-solving, decision-making, and automation.

Report of the Program

Workshop on AI and ML

Name of the Resource Person : Mr. Venkateswarlu

Date : 10-05-2022

Venue : Seminar Hall

No. of Students Attended : 144

Objectives:

The Artificial Intelligence and Machine Learning Workshop aims to provide participants with a comprehensive understanding of machine learning concepts, techniques, and applications. Through a combination of theoretical sessions and hands-on exercises, participants will gain practical experience in developing machine learning models and applying them to real-world scenarios.

This workshop is designed for individuals with a basic understanding of programming and a keen interest in exploring the field of machine learning and AI. It provides to:

- Students and academics interested in augmenting their theoretical knowledge with practical skills.
- Professionals seeking to integrate machine learning into their work or projects.
- Enthusiasts curious about the fundamentals and applications of machine learning.

Agenda:

This workshop will be conducted for 1 day, featuring a combination of interactive lectures, hands-on coding sessions, and group activities. Participants are encouraged to bring their laptops for practical exercises.

Introduction to Artificial Intelligence

Session 1: Overview of Artificial Intelligence

Definition and scope of AI

Historical developments and milestones

Applications of AI in various industries

Types of Artificial Intelligence

Introduction to Machine Learning

Session 2: Basics of Machine Learning

Introduction to machine learning concepts

Classification of Machine Learning

1) Supervised Learning- Regression, Classification

Real-world Use cases of Supervised Learning
2) Unsupervised Learning- Clustering and Association
Real-world Use cases of Unsupervised Learning
3) Reinforcement Learning
Real-world Use cases of Reinforcement Learning
Machine learning algorithms

Cloud-based AI Services:

Session 3: Explained briefly about Cloud-based AI Services such as:

Amazon AWS AI Services

Microsoft Azure AI

Google Cloud AI Platform

Practical Applications of AI & ML

Session 4: Hands-On Exercise

Need of Splitting dataset into Train set and Test set

Introduction to a simple machine learning framework (e.g., Scikit-Learn)

Hands-on exercise with text data

Natural Language Processing (NLP)

Introduction to NLP and its applications

Evaluation and Feedback:

Session 5: Group Activity

Participants form small groups and work on a simple Machine Learning task.

They should analyse, design and code for the task. They should prepare to give their presentations at the end of the day.

Certification:

Upon successful completion of the workshop, the winning Groups were presented with AI & ML books with Certificates. And all the participants will receive a certificate of participation, acknowledging their commitment to advancing their skills in AI & machine learning.

Conclusion:

The AI & Machine Learning Workshop is an excellent opportunity for participants to dive into the exciting world of AI and machine learning, gain practical insights, and connect with like-minded individuals.

About College:

A brain child of the dynamic Sri. S.P.Sampathy, Siva Sivani Degree College (SSDC) was established in the year 2002. Affiliated to the Osmania University which has a rich legacy of imparting quality education. A part of the S.P. Sampathy's Siva Sivani Group of Institutions, whose founder late Sri. S.P.Sampathy and the cofounder Smt. S. Aarathy, presently the president and the chief executive of the group, have had the experience of establishing and running world class educational institutions for nearly 61 years, SSDC, has dutifully traversed on the path hitherto used by the other group institutions and has carved a niche for itself in the arena of under graduate education in a span of 21 years of timeless efforts.

Objectives of the program

- .An IT workshop is to provide participants with a comprehensive understanding of key IT concepts, technologies, and practices. The workshop aims to equip participants with practical skills, promote professional development, and foster a community of continuous learners in the rapidly evolving field of information technology.

Workshop on IT

Name of the Resource Person : Ms. V R Jayasree
Date : 23-04-2022
Venue : Seminar Hall
No. of Students Attended : 109

OBJECTIVE:

1. Improved data management using Excel.
2. Perform better data analysis with Excel.
3. Share information more clearly with Excel data visualization.
4. Excel makes you more efficient: Excel can save time by streamlining data entry and calculation

DESCRIPTION:

SESSION 1: 9:15 - 11:30

Introduction to Excel. Exploring the window, Backstage view.

SESSION 2: 11.45 – 1.15

BUILT IN FUNCTIONS, COMPARISON, CONDITIONAL OPERATORS, VLOOKUP, COUNTIF, SUMIF.

SESSION 3: 1:45 – 3:15

Practically executed in the lab with real time data.

Tools Used: SMART BOARD

Outcomes: After completion of the Advanced Excel course students will be able to: Use advanced functions and productivity tools to assist in developing worksheets. Manipulate data lists using Outline, Auto filter and PivotTables. Use Consolidation to summarise and report results from multiple worksheets.

About College:

A brain child of the dynamic Sri. S.P.Sampathy, Siva Sivani Degree College (SSDC) was established in the year 2002. Affiliated to the Osmania University which has a rich legacy of imparting quality education. A part of the S.P. Sampathy's Siva Sivani Group of Institutions, whose founder late Sri. S.P.Sampathy and the cofounder Smt. S. Aarathy, presently the president and the chief executive of the group, have had the experience of establishing and running world class educational institutions for nearly 61 years, SSDC, has dutifully traversed on the path hitherto used by the other group institutions and has carved a niche for itself in the arena of under graduate education in a span of 21 years of timeless efforts.

Objectives of the program

- .Object or purpose of real-time analysis is to enable timely and dynamic examination of data as it is generated, with the goal of extracting actionable insights, making informed decisions, and responding promptly to changing conditions.

Report of the Program

Case Study (Real time Analysis)

Name of the Resource Person : Ms. D. Anjana

Date : 31-01-2022

Venue : Seminar Hall

No. of Students Attended : 120

Case Studies are majorly fictional base which can be discussed and analysed in order to solve the issues been stated. In a month 4 case studies been dealt by the students where each students are collaborated with the team size of 10. skimming and scanning the case with detail discussion with the team members adds more content to it. It also provides a bridge between theoretical concepts learned in the classroom and their practical application in real-world situations. Each individual student had applied business theories to analyse actual business problems and make informed decisions for the group performance. By participating in these types of activities students automatically developed critical thinking skills, problem solving skills, decision making skills and research skills which are much needed for the future development.
