3. Event Date: 15-11-2022

3. Report submitted date: 16-11-2022

4. Brief description about the event:

Drug abuse or substance abuse refers to the use of certain chemicals for the purpose of creating pleasurable effects on the brain. There are over 190 million drug users around the world and the problem has been increasing at alarming rates, especially among young adults under the age of 30.

The impact of drug abuse on youth extends beyond individual consequences to societal problems, including increased crime rates and healthcare burdens. Prevention efforts often focus on education, community support, and promoting positive alternatives to substance use. Timely intervention and support are crucial to address the complex factors contributing to drug abuse among the youth and mitigate its adverse effects.
